

**Proceedings of the 8<sup>th</sup> Combined Meeting of State Level Environment Impact Assessment Authority (SEIAA) and State Level Expert Appraisal Committee (SEAC), Manipur held on Wednesday, the 4<sup>th</sup> March, 2015 in the Office Chamber of the Director, Directorate of Environment, Government of Manipur.**

---

**Members present at Annexure.**

**Agenda of the Meeting:**

1. Stipulated conditions for granting of Environmental Clearance as per the report of combined field visit on the 24<sup>th</sup> February, 2015 in respect to the project for improvement/upgradation of the road sub-sections of Tupul to Kasom Khullen (MN06) in the state of Manipur.
2. Appraisal for Environmental Clearance of the project proposal for sand and stone quarries under Thoubal range, Thoubal District.
3. Misc.

At the outset, the Joint Director (Environment) and Member Secretary, SEAC, Manipur after welcoming the Chairmen and Members of SEIAA and SEAC, placed the combined field visit report for improvement/upgradation of the road sub-sections of Tupul to Kasom Khullen (MN06) in the state of Manipur (copy enclosed). All the members minutely discussed the report and stipulated conditions made by the field team and unanimously agreed to grant Environmental Clearance to the project for improvement/upgradation of the road sub-sections of Tupul to Kasom Khullen (MN 06) in the state of Manipur.

While taking up agenda 2 of the meeting on the project proposals for sand and stone quarries under Thoubal range, Thoubal District, all the Members discussed in detail and lastly resolved to make field visit during 9-11 of April, 2015 for appraisal and ground truth verification of the proposed sites.

The meeting concluded with vote of thanks to the chair.

**(Dr. M. Homeshwor Singh)**

Director, Directorate of Environment

&

Member Secretary, SEIAA, Manipur
